

## BRAUTSCHMUCK auf BACHELORLEVEL

Auch im vergangenen Jahr gehörte Brautschmuck zu den praktisch auszuführenden Examensaufgaben bei der Meisterprüfung an der Academy of Flowerdesign, die mit 28 Teilnehmern/-innen aus vier Nationen im historischen Salzlagere der Stadt Hall in Tirol nahe Innsbruck stattfand. Hier einige ausgewählte Beispieldkreationen.

### BACHELOR LEVEL WEDDING ARRANGEMENTS .

As every year, wedding arrangements were one element of the practical final Master Diploma exams at the Academy of Flowerdesign. The 28 participants from four countries exhibited their final projects at the historic salt store in Hall, Tyrol, near Innsbruck in Austria. Here are a few selected examples of their creations.

GIOIELLI DA SPOSA A LIVELLO DI LAUREA .  
Anche lo scorso anno, le decorazioni per la sposa sono state parte dei compiti pratici assegnati durante l'esame di mastro fiorista presso la Academy of Flowerdesign, che ha visto partecipare 28 persone da quattro nazioni diverse presso lo storico magazzino del sale di Hall in Tirolo vicino a Innsbruck. Qui potete vedere alcune delle creazioni esemplificative selezionate.

## ACADEMY of FLOWERDESIGN
